 Boynton Beach

**What:** Networking begins at 8 a.m.  
 Bring your business cards!  
 No charge to members;  
 \$10 non-members.

## Chamber co-sponsors Inaugural Health Fair

The Inaugural Health Fair co-sponsored by the Boynton Beach Chamber of Commerce, our Boynton Beach YMCA, Boulevard Manor Nursing and Rehab Center, and Ellie's 50's Diner and Catering was a great success.

Twenty-four Chamber businesses were on hand displaying their products and services to the general public, YMCA members and Chamber

members who stopped by the YMCA to support the business community. "We have a large Health Care Services

Industry here in Boynton Beach," said Glenn Jergensen, Chamber president and CEO. "Our ability to provide a venue for these industry members to reach the public is an important function we play here in Boynton Beach.

The Health Fair will become an annual event at a minimum. For pictures of the Health Fair event at the YMCA, please visit the Chamber News section of our

Web site, Boynton Beach Chamber.com, and look under the Event Photos heading.

## MONTHLY MEMBER LUNCHEON

### Nikolits speaks to Chamber at luncheon

Our September luncheon, held at Atlantis Country Club, was focused on Palm Beach County Property Taxes and Valuations. Our guest speaker was Palm Beach County Property Appraiser Gary R. Nikolits.

Palm Beach County Property Appraiser Gary R. Nikolits was the guest speaker at the Chamber's September luncheon.

Our sponsor was Local Mojo, with company President Mark Hughes briefing the group on Internet marketing. For information about Local Mojo, call (877) 525-6656. Our thanks go out to both Local Mojo and Gary Nikolits.

From left: (seated) Mark Hughes, president, Local Mojo, and Les Jacobs, product specialist; (standing) Chamber Board Chairman Buck Buchanan and Chamber President Glenn Jergensen

## NETWORKING OVER EASY

From left: Chamber Board Member Jonathan Porges, Mandy and Dr. Wayne Siegel, and Chamber President Glenn Jergensen

### Siegel Chiropractic hosts October NOE

Our thanks to Siegel Chiropractic Center for hosting over morning Networking Over Easy event in October. Dr. Wayne Siegel and his wife, Mandy, greeted Chamber members as they networked and enjoyed coffee and pastries for this morning business-card exchange.

Siegel Chiropractic Center is located at 3521 W. Boynton Beach Blvd. For more information, visit [www.siegelchiropracticcenter.com](http://www.siegelchiropracticcenter.com), or call (561) 738-0222.

**Support your community businesses — shop your local merchants. When you visit other Chamber businesses, tell them that you are a Chamber member and leave your business card.**

## PRESIDENT'S MESSAGE

# Boynton Chamber goes 'green'

The Chamber *Business Monthly* has a new look moving forward. With the upcoming launch of our new member-friendly Chamber Web site, [www.BoyntonBeachChamber.com](http://www.BoyntonBeachChamber.com), we have re-sized our monthly newsletter in cooperation with *The Palm Beach Post* to four pages of Chamber information and more member information on the Web site.

Glenn Jergensen

on various ways to partner and bring greater value to the membership investments that are made by members in all of our Chambers.

These combined networking events during various times of the year, and collaboration in business and governmental issues that impact South Palm Beach County have been two of our goals. We are all

working toward the third goal of making South Palm Beach County an attractive business-friendly region, leveraging each of our cities' strengths to improve our economic climate.

Our first South County Chamber Partnership Regional Economic 101 Training session was held in October with the Business Development Board (BDB) of Palm Beach County and the three mayors and city managers of our respective cities. Our plans are to provide this economic engine overview to the city commissioners and city staffs over the coming months. Our thanks go to Kelly Smallridge, president of the BDB, for assisting the Chambers of Commerce in this process.

If you're a local business, you won't find a better value for your investment than membership in the Chamber of Commerce. If you know of a business or individual that could benefit from Chamber membership, please pass this *Business Monthly* on and have them contact us here at the Boynton Beach Chamber at (561) 732-9501.

In our effort to "go green," the newsletter will no longer be mailed to the membership and will be available on our new Web site. This will not only save in newsprint but also in distribution costs. The print version continues to have a Calendar of Events, New and Renewing Member highlights, Chamber member Ribbon Cuttings, highlights of our events and chamber positions on economic and government issues impacting our members. We hope you enjoy our new highlights version of the *Business Monthly* and will visit [www.BoyntonBeachChamber.com](http://www.BoyntonBeachChamber.com) for more information.

Our second South County Chamber Partnership Business Card Exchange just occurred on Oct. 27. The Greater Boca Raton Chamber hosted the event as members of the three South Palm Beach County Chambers — Boynton Beach, Delray Beach and Boca Raton — networked at the Boca Raton Marriott in Town Center. Since early 2009, the Chamber presidents and board chairs of our three Chambers have been working

## SOCIAL NETWORKING SEMINAR

Our first seminar on Social Networking was held at the Chamber on Oct. 22.

Chamber member Jason Rayman, with Rayman Communications ([www.jrayman.com](http://www.jrayman.com)), led the attendees through an overview of doing business on Facebook, Twitter and LinkedIn and the positive outcomes of using this growing form of communication. Our thanks to Jason for putting together this class.

Seminar leader Jason Rayman (left) of Rayman Communications with Chamber President Glenn Jergensen.

## RIBBON CUTTINGS

## MEMBER SPOTLIGHT

From left: (front) Dr. Nicholas Kaleel, a Boynton Beach dentist since 1986, with his staff consisting of (back) Amanda Richey, Lucy Sinnett, Lavina Ogawa and Laura Callas.

## Dr. Nicholas Kaleel: 'Someone who has been watching out for you in Boynton Beach since 1986'

In this day and age, we have all been trained to double-check every detail when it comes to our personal lives. We make sure the bankers, brokers and doctors are all thinking of us, not making any mistakes, and treating us like a person, not just a number. So, when patients first come in contact with Dr. Nicholas Kaleel, they are a little surprised to learn that his first and most important concern is them.

Dr. Kaleel focuses on a patient's overall health, not just their teeth. He educates his patients on the connection between good oral care and its affects on many health issues. Your first couple of visits will include personal discussions of your dental history and current concerns along with a thorough comprehensive diagnostic evaluation. During these visits you will be introduced to "excellence in dental health" and will learn about many therapies and treatments available today that can improve your health as well as your teeth. Some of these include preventive care, gum therapy, whitening, complete smile makeovers and smile reconstruction.

Before the visit is over, Dr. Kaleel will discuss an overall treatment plan with you for your continued health. Yes, it would be easier to shuffle you quickly through an appointment, treat your current problem and send you on your way like most dental practices today. However, Dr. Kaleel focuses on quality health for you, not volume for him. He strives to ensure that you continue to look and feel good after every visit.

For those of you who have not heard of Dr. Kaleel and his staff, you may be surprised to learn that he has been practicing in Boynton Beach since 1986. During the last 23 years, Dr. Kaleel has established a reputation of excellence by being a leader in the dental care field. When asked why he chose the Boynton Beach area 23 years ago to start his practice, Dr. Kaleel noted that the city offered everything he was looking for — including a friendly small-town feel with up-and-coming professional businesses, an impressive focus on residential development and a place where he could see himself raising his family. Dr. Kaleel is truly the "neighborhood" professional we all should know in the Boynton Beach area.

If you would like an amazing smile and truly compassionate care from a dentist that wants to help you, call the office of Dr. Nicholas Kaleel at (561) 736-9997.
